

New Enhancements in SureSmile January Release SureSmile® VPro

SureSmile – Dentsply Sirona 2021

SureSmile® VPro

SureSmile® VPro is a high frequency vibration device. The use of this device makes alignment treatment more comfortable to the patient and stimulates tooth movement. SureSmile® VPro will therefore be provided for order with Full-service Aligner cases in SureSmile Aligner, SureSmile Ortho and SureSmile Advanced.

SureSmile® VPro

- A SureSmile® VPro vibration device will be included with Complete Full-service Aligner orders without additional charge and offered as an 'opt in' with Select Full-service Aligner orders.
- For Complete option, the price is not displayed (SureSmile® VPro is always included at no additional cost)
- For Select option, user will pay SureSmile® VPro Select fee, so pricing will be displayed
